C: 10g, F: 16g, P: 83g

Ingredients:

- 360g Chicken thigh
- 1/2 tsp Salt
- 1/4 tsp Pepper
- 1 clove Garlic, grated
- 95ml Tomato puree
- 2.5 tbsp Milk
- Handful Basil
- 7 Olives (optional)

Modifications:

230g Tempeh (C: 33g, F: 20g, P: 46g)

Method:

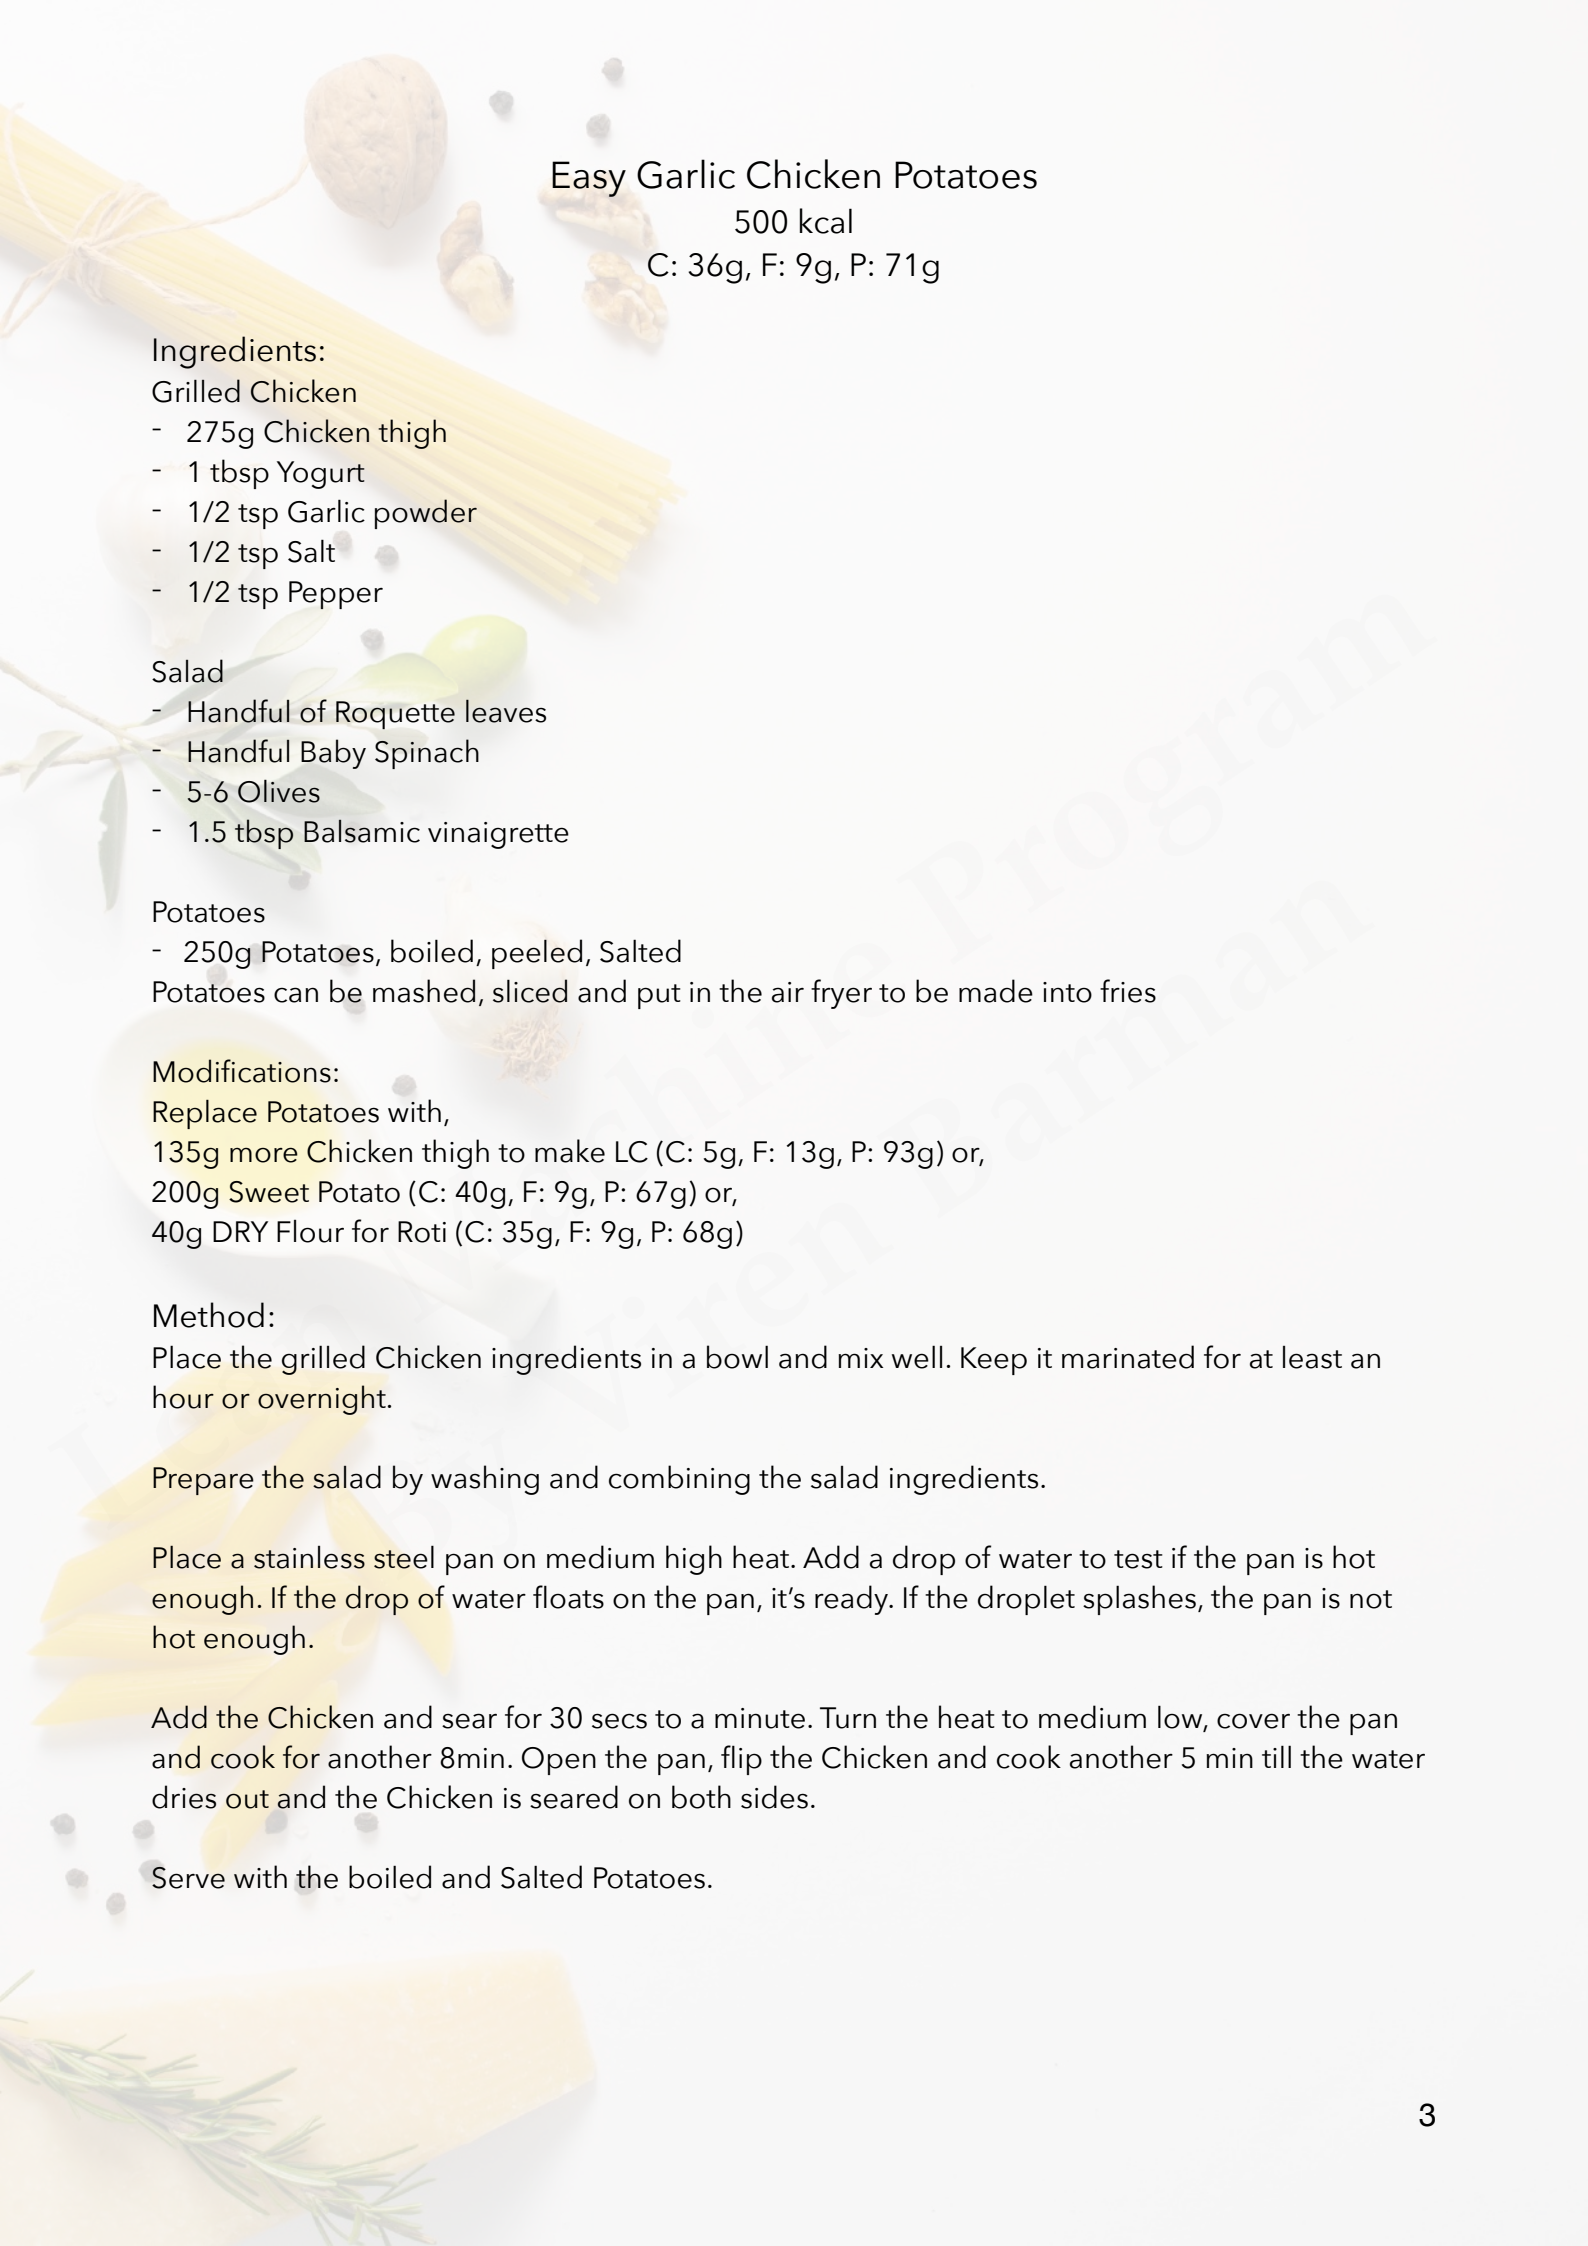

Place a pan on medium heat. Once the pan is hot, put the Chicken in and cook for about 5min or till the Chicken is cooked all the way through. (Don't leave it for too long. As soon as it turns from pink to white, slice and check if it's white all the way through from the inside). If the Chicken sticks, add a tbsp of water.

The Chicken will probably leave some liquid behind. Once cooked, remove the Chicken from the pan without removing the liquid. Add the Tomato puree, Garlic, Milk, Salt and Pepper and cook till the liquid reduced to a paste and the oils separate.

Add the Chicken back in, with the Basil leaves and coat well.

Top with chopped Olives and serve.

Chinese Steamed Fish

500 kcal

C: 0g, F: 17g, P: 85g

Ingredients:

- 370g white Fish fillets, boneless/skinless at about 1-inch thick
- 1/2 tsp coarse sea Salt
- 1 tbsp Coconut aminos or Soy sauce
- 1/2 tsp toasted sesame oil
- 1/2 tbsp finely chopped Ginger
- 1 1/2 scallions, *chopped*
- 1 red Chilli, seeds removed and finely chopped
- 1.25 tsp butter

Modification:

Replace 120g Fish with
250g boiled Potatoes (C: 31g, F: 14g, P: 64g)
To make a carb rich meal

Method:

Slice the Fish fillet into two equal weight pieces. Pat dry with a paper towel.

Fold one piece of the parchment paper in half and place 1 Fish fillet in the center and closer to the seam. Repeat with the other half of the Fish.

Season each fillet with coarse Salt, Coconut aminos, and toasted sesame oil

To make a paper pouch: Fold the paper over so the two ends meet, enclosing the food.

Beginning at either end of the center crease, make small, overlapping diagonal folds around the filling, pleating it all around to make a semicircular airtight package that looks like a half-moon shape calzone. Seal the packet tight. You might need to twist and fold the end tip to secure the envelope

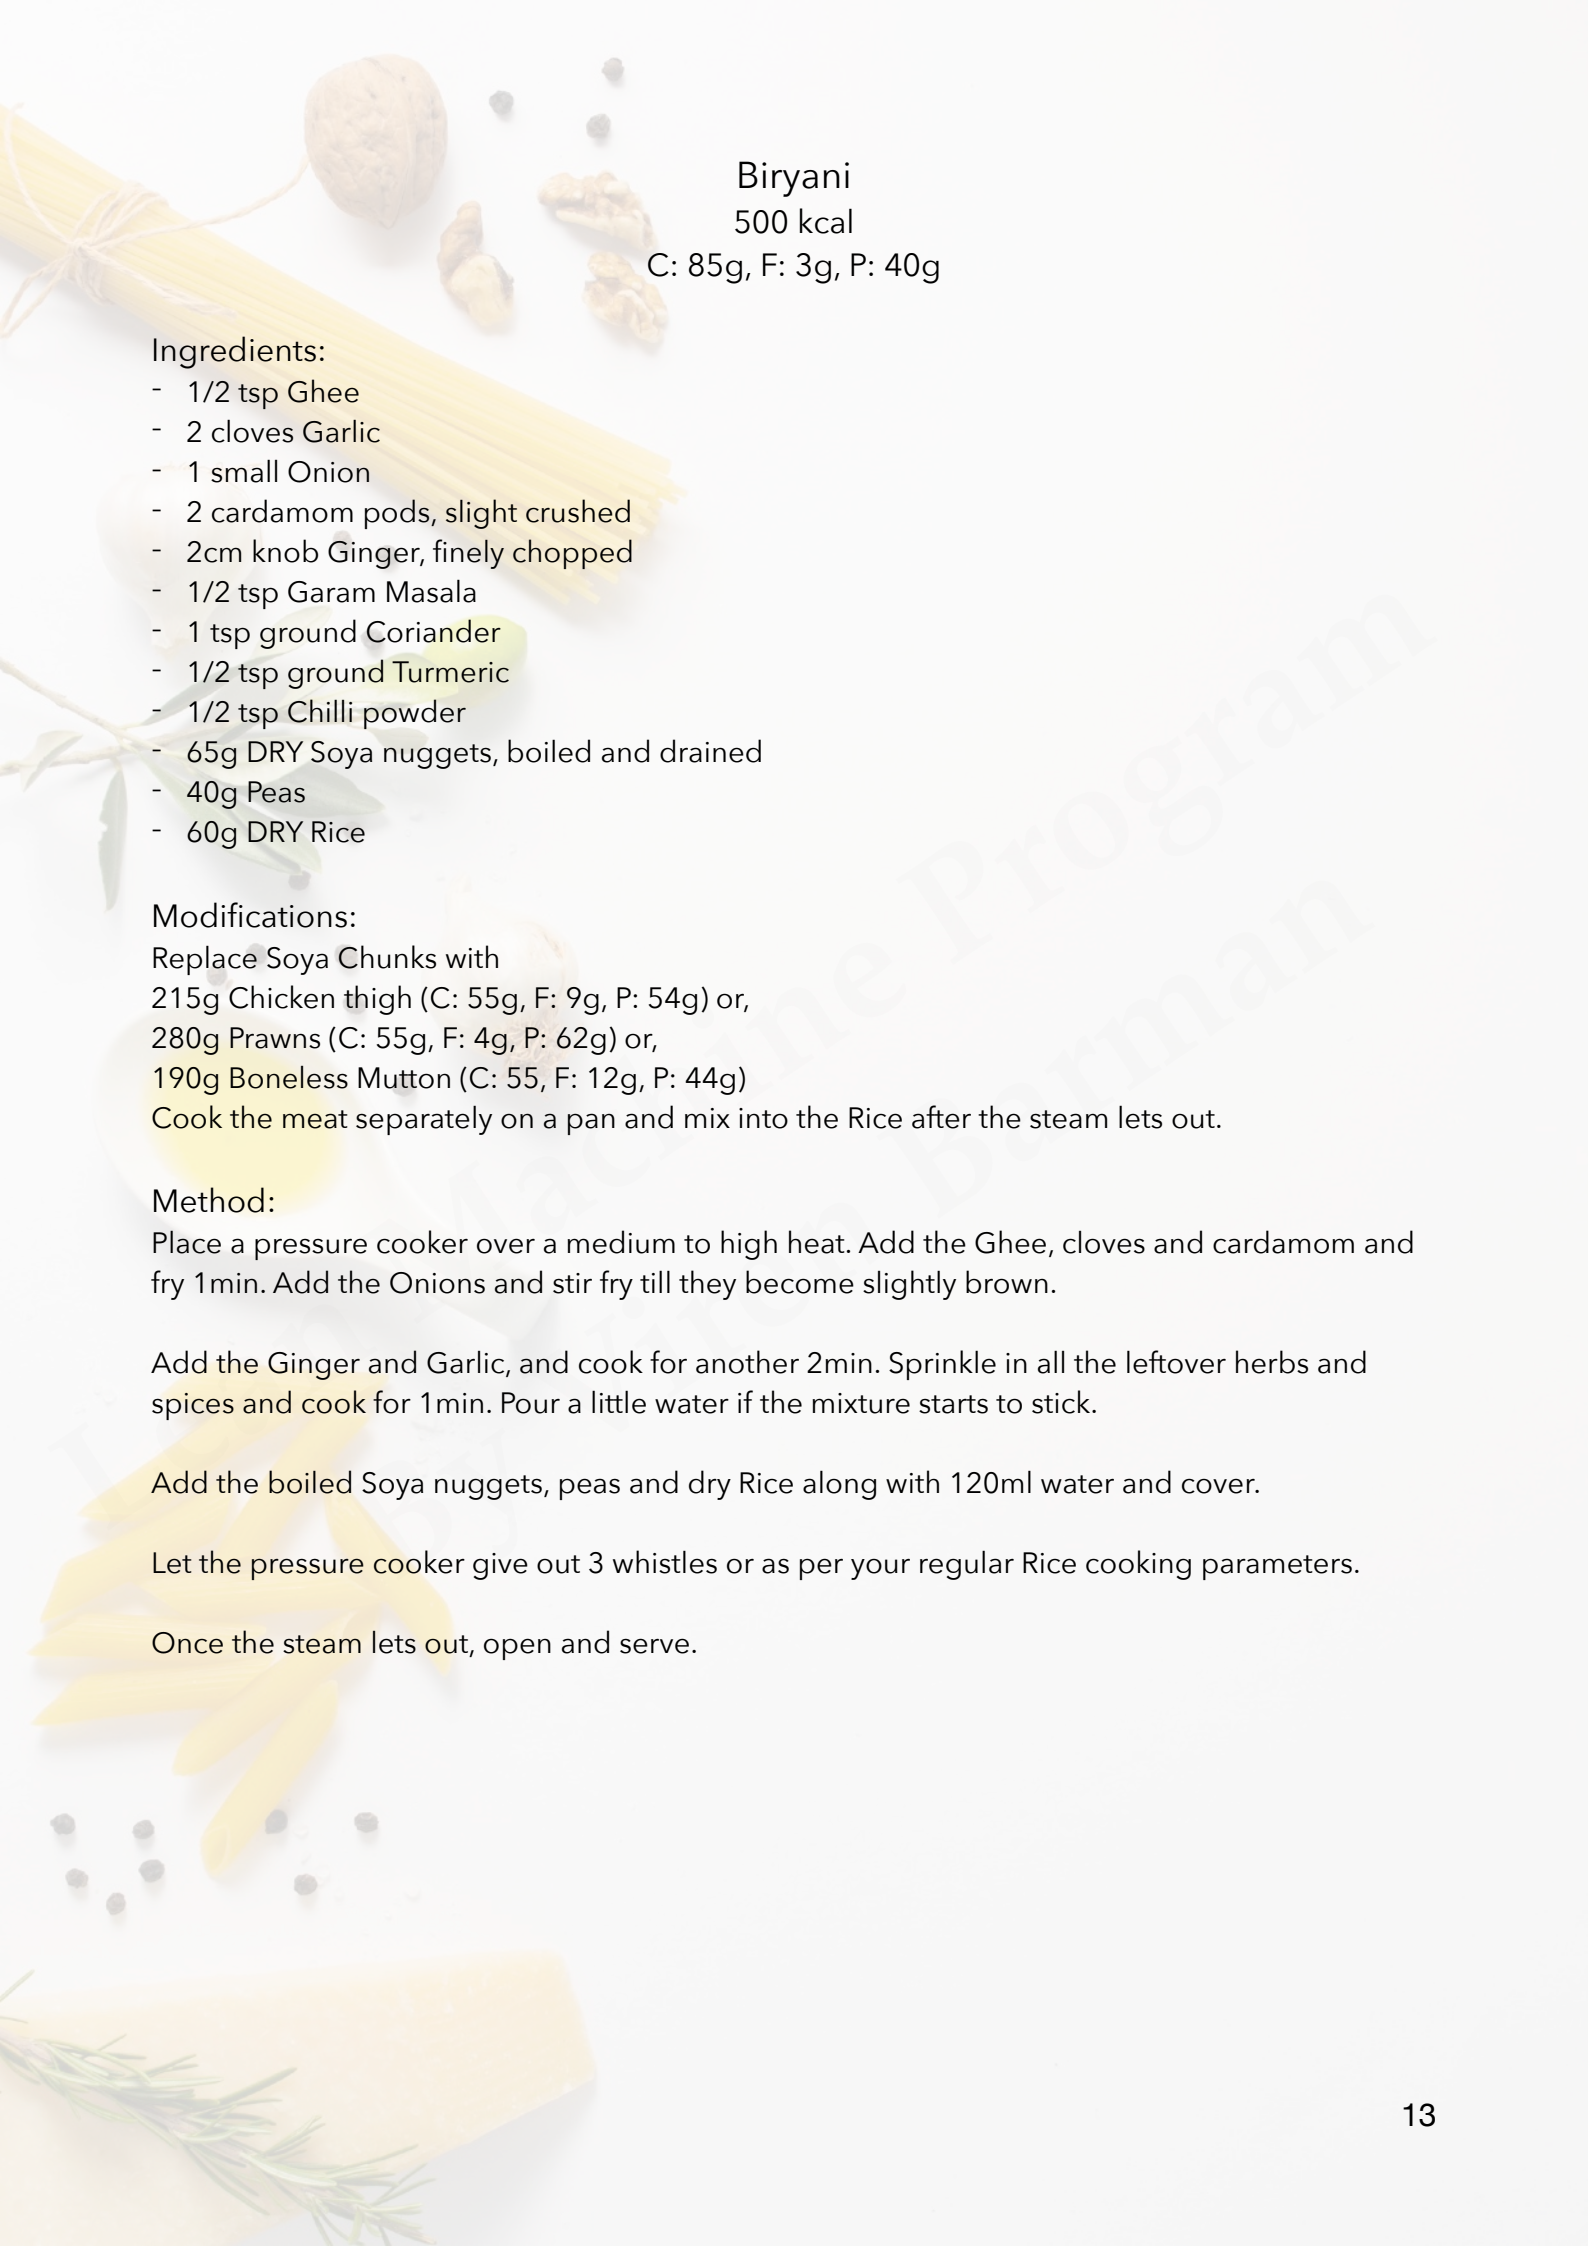

If use air fryer: place 1 packet inside of the basket. Lightly press the paper pouch down so it won't get burnt. Air fry at 300F for 15 minutes or until the Fish is soft and flaky. Test with a skewer, if it goes in easily, the Fish is done. If not, air fry for 5 additional minutes. If your Fish is thinner than 1-inch, reduce the cook time by 5 minutes.

If use oven: Place both packets over a large sheet pan. Bake at 400F for 15-20 minutes or until the Fish is buttery soft. The exact bake time will depend on the thickness of the Fish fillets and type of Fish.

In the meantime, finely chop Ginger, scallions, and Chilli Peppers. Divide them into 2 equal piles.

Carefully remove the Fish pouch. Let cool for 3 minutes before using a kitchen scissors to cut open the packet (be careful of the hot steam). Add the aromatics - Ginger, scallions, and chilies - on top of the fillets and season with a pinch of Salt.

Melt and carefully pour half amount of the warm butter over each fillet and the aromatics on top. Serve hot and immediately.

- 2cm knob Ginger, finely chopped
- 1/2 tsp Garam Masala
- 1 tsp ground Coriander
- 1/2 tsp ground Turmeric
- 1/2 tsp Chilli powder
- 65g DRY Soya nuggets, boiled and drained
- 40g Peas
- 60g DRY Rice

Modifications:

Replace Soya Chunks with

215g Chicken thigh (C: 55g, F: 9g, P: 54g) or,

280g Prawns (C: 55g, F: 4g, P: 62g) or,

190g Boneless Mutton (C: 55, F: 12g, P: 44g)

Cook the meat separately on a pan and mix into the Rice after the steam lets out.

Method:

Place a pressure cooker over a medium to high heat. Add the Ghee, cloves and cardamom and fry 1min. Add the Onions and stir fry till they become slightly brown.

Add the Ginger and Garlic, and cook for another 2min. Sprinkle in all the leftover herbs and spices and cook for 1min. Pour a little water if the mixture starts to stick.

Add the boiled Soya nuggets, peas and dry Rice along with 120ml water and cover.

Let the pressure cooker give out 3 whistles or as per your regular Rice cooking parameters.

Once the steam lets out, open and serve.

Dal/Rajma Chawal

510 kcal

C: 120g, F: 4g, P: 25g

Ingredients:

- 80g DRY Rajma, soaked overnight (or 75g DRY Lentil of choice)
- 1/2 tsp Ghee
- 1 Onion, roughly chopped
- 1 inch Ginger, finely chopped
- 1 1/2 Tomatoes, pureed
- 1/2 tsp Turmeric
- 2 tsp Cumin powder
- 1.5 tsp Garam Masala
- 1 Bay leaf
- 1 inch Cinnamon Stick
- 8 sprig Coriander Leaves, roughly chopped
- Salt, to taste
- 150g boiled Rice

Method:

Soak the rajma in water overnight. If using any other dal, check online to see appropriate time for soaking.

Heat the Ghee on medium heat in the pressure cooker pan; add the Onion, and Ginger and sauté for 3 to 4 minutes until the Onions soften turn light golden colour.

Stir in the Tomatoes, bay leaf, cinnamon stick, Turmeric powder, cumin powder, Garam Masala powder and Salt to taste.

Sauté for another couple of minutes until the Tomatoes become soft and mushy.

Once soft, add the soaked rajma along with its water. Add any additional water if required. There should enough water such that the water level is at least 2 inches above the rajma.

Cover the pressure cooker and let it whistle once. Turn down to a medium low heat for about 30 minutes (5min - 15min for a quicker cooking dal).

Once done, turn off the heat and allow the pressure cooker to rest and release its pressure naturally. The rajma will continue to cook in the pressure cooker as long as there is pressure inside.

Once the pressure has released, open the cooker. The rajma should be now cooked completely.

If you press the rajma between your fingers it will get mashed easily.

If you find the rajma is still firm, you need to cook it for a little longer. This happens when your rajma bean has aged and hence takes a longer time to cook.

Check the Salt and spice levels and adjust to suit your taste. Stir in the chopped Coriander leaves and serve hot with the Rice.
